**FESTIVE SEASON BUBBLES**  
.....

The Festive Season is around the corner and I'm sure many of us have begun thinking about the many lunches and dinners that we will be sharing with friends and family to celebrate. Here is a quick and easy DIY project for you to put together with your children, nieces and nephews to keep all the kids joyful and busy if you are hosting an event. They also double up as a great gift and stocking filler.

- DIRECTIONS**
1. Please print page 2-5 of the downloaded document onto an A4 card stock or an A4 inkjet-laser blank label.
  2. Trim each circle by cutting along the outer edge.
  3. Spray the back of each circle with spray glue and attach onto the top of each consol glass jar.
  4. Fill each glass jar with the bubble liquid & a dash of food colouring.
