FLAGS FOR YOUR STRAWS

These cute little flags are the perfect detail to add to your paper straws if you are planning on serving cocktails & welcome drinks at any event.

To put these together, follow the easy directions below.

SHOPPING LIST :

1. A refreshing drink, e.g Pink lemonade.
2. A few sheets paper.
3. 1 x craft knife, ruler & cutting mat.
4. Paper straws
5. Double sided tape.

DIRECTIONS :

1. Download and print page 2 of this straw flag pdf.
2. Using a craft knife, cut the flags out along, leaving the end "V" section for once the flag is attached to the straw.
3. Cut a medium to long piece of double sided tape and place in the center of the flag.
4. Remove the backside of the tape and wrap the flag around the straw, roughly on the mid-top half.
5. Trim the "V" section of the flag, this ensures the flag matches up on the end.
