### DIRECTIONS:

1. Put aside 5 Japanese washi tapes in the colours as per below. Use your own or purchase these from our new online shoppe.
2. Print out pages 2-3 of this pdf document.
3. Stick your washi tape over the letters and shapes on page 2. Make sure you match your colours to each number section. E.g. Pink washi tape to be stuck over all the shapes in section 1. Peach washi tape to be stuck over all the shapes in section 2. It's o.k if you go over the lines as you will be cutting these shapes out a little later.
4. Cut all your shapes on page 2 out using scissors or a kraft knife and ruler and set them aside.
5. The colour puzzle begins, paste each shape and letter according to their number on the page 3 to create your poster.
